Education

Chhatrapati Shahu Ji Maharaj University

B.Tech in Computer Science & Engineering

2021 - 2025

GPA:6.84/10 (till 5th sem)

Projects

ChatApp

[GitHub](#) [Live Link](#)

- **Enhanced User Communication:** Implemented real-time messaging, notifications, and user authentication to facilitate seamless interaction among users.
- **User and Group Management:** Enabled features for creating and managing groups, searching for friends, sending requests, and deleting chats.
- **Rich Media Support:** Integrated functionalities for sending files, videos, and images, ensuring robust multimedia communication.
- **Admin Dashboard and Deployment:** Designed an admin dashboard for overseeing messages, chats, and users, ensuring full responsiveness across all devices and successfully deployed the project.
- **Tech Stack:** React, Node, Express, MongoDB, WebSocket.

E-App

[GitHub](#) [Live Link](#)

- * **Customer-Centric Features:** Implemented product search, detailed product views, shopping cart, and streamlined checkout process to enhance the customer shopping experience.
- * **User and Order Management:** Developed user authentication, and an admin dashboard for managing products, customer information, and order processing.
- * **Data Visualization:** Integrated various charts and graphs in the admin dashboard to provide insights into transaction data and customer behavior.
- * **Full-Stack Implementation:** Ensured end-to-end functionality with features like product management, customer management, and order management, enhancing both user and admin experiences.
- * **Tech Stack:** React, Typescript, Node, Express, MongoDB.

Algorithmic Competitions/Achievements

- Ranked **1494th** out of 42,000+ candidates in Codekaze 2023, India's largest hiring challenge by Coding Ninjas.
- Secured Global **38th** rank out of 4600+ in Codechef Contest Starters 128 in Division 3.
- Secured Global **54th** rank out of 19600+ in Coding Ninjas Weekly Coding Contest- 117.
- Secured Global **2283th** rank out of 24000+ in Leetcode Biweekly contest-380.
- Secured Global **446th** rank out of 4500+ in GFG Weekly Coding Contest- 142.
- **10+ projects** made from scratch, **4+ deploy** projects and **1000+** programming questions solved on different CP platforms.
- Achieved **3-star** on CodeChef, **4-star** on GeeksforGeeks, and **1735** rating on LeetCode.

Technical Skills

Languages: C, C++, Java, JavaScript, Python, HTML/CSS.

Technologies: ReactJS, NextJS, NodeJS, Express, Bootstrap, Tailwind CSS, Typescript, Rest APIs, SQL, MySQL, MongoDB.

Tools :: Git and GitHub, Postman, Linux, Figma, Material UI.
